Update From Camp Sionito

February 13, 2012

New Playground Equipment Installed and Other Projects Advanced at February Work Party

51 volunteers weathered sunburns and sleet this weekend to make some historic strides in the development of the campground. With the assembly of the playground equipment, all that remains for the new playground to be fully operational is installation of the perimeter and fill. The kids, big and small, are going to have a great time on this!

The list is too long to enumerate, but here are some highlights. Work in the craft building remodel was commenced with demolition and removal of the concrete floor and window screens and installation of new windows. The bathhouse remodel continued with new electrical wiring, work on sinks and trim as well as tile and floors of the men's showers and installation of cinder block and plumbing for the women's showers.

The Extreme Kitchen model saw tin and wood work in the Dining Hall, foundations poured for A/C units and reroofing of the cover for the freezer compressor. Trim was finished in Block Cabin 15 and templates were traced for Block Cabin ceiling decoration. Piles of trash were burned, new shelves were installed in the electric and plumbing area of the shop, computer and AV equipment was tweaked, repaired a dryer Laundry Room.

Volunteers received Sionito t-shirts and enjoyed Saturday night's Sweatheart Banquet.

Donate Now!

The 2012 Capital Development Annual Campaign is well underway with a wide range of projects slated for completion this year. You can help enhance the quality of the Sionito camping experience by making your tax deductible contribution today. Mail your check payable to Camp Sionito to P.O. Box 908, Burleson, TX 76097.

Need a Summer Job? Sionito needs you!
